*Boarding at Wag The Dog Daycare is kennel free. This means your dog will be sleeping in the same room as they play. There will be a human here at all times. We will do everything possible to make sure your dog is not injured. But sometimes it happens. During overnight care, we will be going to South Seattle Animal Hospital for any emergencies. It is the closest 24 hour animal hospital. During the day, we will take dogs to Burien Veterinarian Hospital or Priceless Pets. If for any reason you do not pick up your dog at the appointed time and you do not respond to our attempts to contact you or your emergency contacts we will consider your dog(s) surrendered or abandoned to Wag The Dog Daycare. After 1 (one) week of contact attempts past your contracted agreement your dog(s) will come under our guardianship and we will place them as we deem fit.*
